Selected inventory from THE DON ENGELS COLLECTION

The Society has been asked to dispose of photographic items from the Don Engels estate. The pieces in this collection, heavily oriented to ZEISS equipment, have excellent cosmetic and collectible value, but since they have been sitting on display for many years, they could have technical issues so are offered as “collectible photographica.” Photographs will be posted to our PHSC web site.

Items are from a past member's collection. PHSC will not accept any additional items for this special auction.
